Writing Skills

The goat asked the fox for away to climb out of the well. The fox said that he would climb on the back of the goat and go out and then help the goat to climb out as well. The goat agreed without thinking twice and the fox then climbed onto the back of the goat and was

able to come out of the well hence the moral of the story is “look before you leap”. Do not just blindly walk into anything without thinking.

Writing Skills

Today I am too much excited to express my feeling of visiting the forest of Africa with my cows I took my cows for grazing in the lush green and dense forest of Africa. The forest is quite lonely and uninhabited I have no idea of how long we walked and how deep we reached inside the forest I took my lunch under a shady tree and after sometimes I decided to return home. I collected my cows and was ready to start. But I felt that I had my way and had no idea to come out of the forest. I was frightened the forest was inhabited by furious wild animals.
